

Ebenezer.
Sunday school at Ebenezer Sunday as usual.
Rev. Qualls filled his regular appointment at Liberty Sunday and Sunday night. There were eleven additions to the church.

The people of Monett are to give an entertainment at Liberty church Wednesday night, March 17, after which a collection will be taken, the proceeds to go toward building a drinking fountain in Monett.

The people of this community are enterprising and believe in improvements and would gladly respond to such a call if we were assured that the streets would be kept in passable condition that we might satisfactorily reach and test the drinking fountain.

It does seem too that the "wets" of Monett are beginning to weaken in their faith by allowing the inhabitants of their city to solicit in dry territory to improve a wet town.

Quite a number of relatives and friends spent the day with G. W. Weygant and family.

The Misses Della Foster and Myrtle Winton and Messrs Oliver and Willie Ethridge visited with J. B. Foster's Sunday afternoon.

Albert Burkhardt has purchased the Dimmit Wainwright place in this community.

Miss Cora Shipman visited relatives near Talpa Saturday and Sunday.

Miss Orba Howard took dinner with Miss Fannie Gaydon, Sunday.

A new telephone line is being erected in this community and will soon be in operation.

J. B. Wormington and Will Allen have been hauling straw the past week. The slats must have got to feeling too plain.

It is reported there is a new house at Frank House's. Size 26 x 28 and 12 ft. high. Weight unknown.

Mr. Lawrence Haggard filled his regular appointment at McKinley Saturday and Sunday.

Baldwin Pianos
Why buy a cheap piano. Get the best they will last more than a life time.

The telegraphic dispatches that appear in the columns of the TIMES are copied from the city dailies. Do imagine for one moment that a news paper in Monett could afford to get such news direct.

Night Riders Active in Blue-Grass State

Hopkinsville, Ky., March 16.—The night riders have resumed their lawlessness in Christian and Caldwell counties. Plant beds of independent farmers are being scraped and feeling is running high. Four tobacco beds were destroyed near Hopkinsville last night and an effort is being made to track the marauders with bloodhounds.

Anti-Carbon Soot Destroyer

WHEN THE FIRE BURNS dull and the oven won't bake, the stove smokes, it shows that the chimney is choked with soot, and liable to catch fire at any time. Will you employ a chimney sweep or ANTI-CARBON to clean it? Will you spend an evening taking down your curtains, covering up your furniture and preparing for the chimney sweep; then get up early in the morning, let him in, pay him a dollar or two, and spend the rest of the day in cleaning up the mess he has made; or will you buy a package of Anti-Carbon for a few cents and clean the stove, pipes and chimney yourself in a few minutes without soiling the room.

That Woman's Union.

The ladies of the First Presbyterian Church never weary inventing new and novel means for the entertainment of their friends. This accounts for the rapid and steady growth of their enterprise, and for the popularity of their programs.

Their next effort will occur on Friday evening, March 19. Hold yourself ready for a good time.

Nothing in the way of a Cough is quite so annoying as a tickling, teasing, wheezing, bronchia-Cough. The quickest relief comes perhaps from a prescription known to druggists everywhere as Dr. Shoop's Cough Remedy. And besides, it is so thoroughly harmless that mothers give it with perfect safety even to the youngest babes. The tender leaves of a simple mountain shrub, give to Dr. Shoop's Cough Remedy its remarkable curative effect. A few days' test will tell. Sold by all dealers.

CHICKENS MUST BE KEPT UP

Chickens Must be Confined or the Owners will be Arrested.

The City Marshal desires to call the attention of the public to the ordinance prohibiting chickens from running at large. He expects to enforce the ordinance to the letter. Here is the ordinance:

It shall be unlawful for any person who is the owner or keeper of chickens, ducks, geese or turkeys to permit the same or any of them to run at large within the corporate limits of the city of Monett, Missouri, at any time between the first day of March and the fifteenth day of October, in each and every year.

Section 2. Any person found guilty of violating this ordinance shall be deemed guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than one dollar nor more than twenty dollars.

Announcement.

We are authorized to announce John R. Wallen of Cassville as a candidate for re-election to the office of county school commissioner at the school election April 6, 1909.

Enlarging Your Business

If you are in business and you want to make more money you will read every word we have to say. Are you spending your money for advertising in a haphazard fashion as if intended for charity, or do you advertise for direct results?

Did you ever stop to think how your advertising can be made a source of profit to you, and how its value can be measured in dollars and cents. If you have not, you are throwing money away.

Advertising is a modern business necessity, but must be conducted on business principles. If you are not satisfied with your advertising you should set aside a certain amount of money to be spent annually, and then carefully note the effect it has in increasing your volume of business; whether a 10, 20 or 30 per cent increase. If you watch this gain from year to year you will become intensely interested in your advertising, and how you can make it enlarge your business.

If you try this method we believe you will not want to let a single issue of this paper go to press without something from your store.

We will be pleased to have you call on us, and we will take pleasure in explaining our annual contract for so many inches, and how it can be used in whatever amount that seems necessary to you.

If you can sell goods over the counter we can also show you why this paper will best serve your interests when you want to reach the people of this community.
